

Preserve Historic Missoula

Volume 1 - Spring 2019

Welcome to the first Preserve Historic Missoula Newsletter! *Preserving the Past, Saving the Future*

Our mission is to educate the citizens of Missoula and Western Montana in the appreciation of the educational, historical, architectural, scientific, and aesthetic significance of their environmental heritage, including historic sites, buildings, structures, objects, and districts and prehistoric sites.

In the coming months, we will use this newsletter to keep you apprised of preservation news and events that are going on in and around Missoula. We will also have a featured section introducing our board and other local players in the preservation field, membership, and ways in which you can get involved. PHM is fiscally sponsored by Missoula Community Foundation. Become a member at this link: <http://www.preservehistoricmissoula.org/donate.html>

May is Preservation Month

Celebrate the start of National Historic Preservation Month with the Missoula Historic Preservation Office and Commission and Preserve Historic Missoula at Caras Nursery on Thursday, May 2nd. Starting at 5:30pm, we will celebrate heritage businesses in Missoula! There will be food trucks and a presentation from Amy Webb, heritage tourism specialist and Senior Field Director for the National Trust for Historic Preservation.

Join us for our fourth annual Historic Pub Crawl! The tour will explore some of Missoula's historic properties. On Monday, May 6th - meet at Gild Brewery, 515 S. Higgins Ave at 5:00 pm, followed by Flippers Casino, and ending with a private tour of the Montgomery Distillery. Have a beer or cocktail with us and celebrate the history of our city!

PHM is also participating in MISSOULAGIVES this year. Please consider giving a donation from May 2nd to 3rd to help us maintain our historic paint grant and support future preservation endeavors. You can give at this link: <https://www.missoulagives.org/organizations/preserve-historic-missoula-fcf83e5d-9a05-424a-8d85-ccefa7ce6936>
